CE MACHTL-387
Departmental/Challenge Exam
Machine Trades Mathematics 4

Credit for Prior Learning provides students a range of options to earn college credit for what they already know. Students can demonstrate college-level knowledge and competencies from examination, portfolio, to workforce and military.

To take a departmental challenge exam:

1. Contact cple@matc.edu to request a challenge exam. CPLE will add the fees to your account when you are ready to pay.
2. Pay the nonrefundable fee either on Selfservice or any campus' cashiers office. This must be paid prior to taking the exam. If use of MATC equipment and supplies are necessary to administer challenge exams, additional fees may apply.
3. Contact the test administrator to schedule an exam. A "paid" CPLE form or receipt must be turned in to the test administrator.
4. The test administrator will update cple@matc.edu with your results by completing a CPLE Request Form. An MATC Department Exam may not be taken more than once per calendar year.

Exam Information:

- **Course title, number & credit value:**
 - Machine Trades Mathematics 4, MACHTL-387, 1 CR
