**Step 3: By signing this form I confirm that:**

I UNDERSTAND that the WI GI Bill remission covers tuition and material fees only (Note: Per the WI GI Bill Handbook WDVA B0105 the remission covers only academic, college credit courses). I UNDERSTAND that it may take up to four weeks after I turn in my form before my remission is applied to my account (especially during peak processing periods). I UNDERSTAND that unless I have applied and have been awarded financial aid I must pay my bill in full or go on the installment plan so that I am not dropped for non-payment of my bill during the drop period, even though I am waiting for my remission to be applied to my account.

I UNDERSTAND that any charges NOT covered by the WI GI Bill Remission are my responsibility.
