Milwaukee Area Technical College (MATC) offers Credit for Prior Learning and Experience (CPL) for students pursuing their degree. Eligibility for CPL credit includes transfer credits, work experience, military experience, departmental and national exams, professional licenses/certificates, and apprenticeships. Determination methods include official transcripts, standardized tests, department-specific exams, work experience portfolios, apprenticeship certificates, and professional licenses. The Dean or designee of the instructional pathway determines CPL credit. Students must complete at least 25% of technical credits at MATC.
