2. Under applicable laws and regulations, MATC shall not exclude qualified individuals with disabilities from the services, programs, or activities made available by MATC, or deny the benefits of such services, programs, or activities to such individuals, whether such exclusion or denial results from communication barriers, physical inaccessibility of MATC facilities, MATC policies, practices, procedures, or otherwise.

In compliance with Section 402 of the Vietnam era Veteran's Readjustment Assistance Act of 1972, it is the policy of MATC to provide employment and educational opportunities to all persons who are disabled in accordance with this act, and make requested reasonable accommodations unless to do so would cause an undue hardship on the conduct of its operations.
