

**ADMINISTRATIVE REGULATION
AND PROCEDURE**

Title: INVENTORY AND DISPOSAL OF EQUIPMENT
DONATED TO THE COLLEGE THROUGH THE MATC
FOUNDATION

Code: HH0301

Policy Reference: H0300-1, Gifts, Grants and Bequests; J0200, MATC
Foundation, Inc.

1. Operations will be notified of all equipment donations via a completed copy of the Foundation's property gift form.
2. Operations will coordinate the tagging and inventorying of the equipment donations. The inventory record would list the Foundation as the supplier.
3. The division or department using the equipment will determine when it is no longer useful to that division or department.
4. That division/department will complete and submit to Operations a request for property disposal or transfer. Operations will determine if the equipment will be reassigned within MATC, sold, or scrapped.
5. The MATC Foundation will be notified of the determination and determine if there was a holding period or other sale restrictions required by the donor. If so, the Foundation will notify Operations
6. If the equipment is designated for sale, Operations will be responsible for selling it on bid.
7. If the equipment is designated to be scrapped, Operations will be responsible for contacting the scrap dealer to arrange disposal and maintain records of the disposal.
8. Operations will maintain records of the disposition, sale or transfer of all equipment.
9. Proceeds from the sale or scrapping of donated equipment will revert to the MATC Foundation.
